CountryMansion® II

LIFETIME *Designer* SHINGLES

The look and charm of hand-crafted slate—
at an incredibly affordable price...

Maximizing your home's "visual appeal" with the new Value Collection Lifetime Designer Shingles from GAF can be exciting, fun—and a smart investment.

Country Mansion® II shingles offer you the beauty of a luxury designer shingle...but at an incredibly affordable price.

Designed after the look of our original Country Mansion® shingles, Country Mansion® II shingles combine a hand-crafted design with a chic and stylish color palette that will make your home look spectacular. And for only pennies-a-day more than standard architectural shingles. They're also backed by a Lifetime Ltd. warranty from GAF, North America's largest roofing manufacturer.

So your roof will not only last—it'll be the talk of your neighborhood!

All Of GAF's Value Collection Lifetime Designer Shingles Offer You These Great Benefits:

- **Affordable Luxury...** GAF Lifetime Designer shingles are only a fraction of the cost of traditional slate, wood shakes, or expensive metal roofing
- **Sophisticated Design...** Artisan-crafted shapes combined with oversized tabs and a dimensional design result in a sophisticated beauty unmatched by typical shingles
- **Custom Color Palettes...** Specially-formulated color palette is designed to accentuate the shingle's natural appeal
- **High Performance...** Designed with Advanced Protection™ technology, which minimizes the use of natural resources while providing superior protection for your home (visit www.gaf.com/aps to learn more)
- **StainGuard® Protection...** Helps assure the beauty of your roof against unsightly blue-green algae*
- **Safer...** Class A fire listing from Underwriters Laboratories—the highest rating possible—and safer than wood shakes or some plastic/synthetic shingles, which carry only a Class C fire rating!
- **Stays In Place...** Dura Grip® adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph!†
- **The Ultimate Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years*
- **Perfect Finishing Touch...** For the best look, use premium TimberTex® ridge cap shingles with StainGuard® protection. In the West, use Ridglass® ridge cap shingles.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

*See Ltd. warranty for complete coverage and restrictions.

†130 mph wind speed coverage requires special installation (see Ltd. warranty for details).
